

Agribusiness Expo (Agrinex) held on 4-6 March 2011 was an excellent opportunity to promote ASBINDO. Besides having a stand, ASBINDO also helped decorating the Horticulture Cluster at the fair. During the event we presented our new website and the activities of the ASBINDO Training Centre.

In addition, we distributed leaflets regarding the ASBINDO organisation, membership of ASBINDO, ASBINDO Training Centre, the advertise opportunities with ASBINDO (company page and banner ads).
