

Visit to ASBINDO Member PT Benar Flora Utama

ASBINDO is organising regular “ASBINDO member familiarisation” trips. Trips to companies of the members to learn from each other, share information and strengthen relationships. The first trip since the installation of the new ASBINDO board was a visit to PT Benar Flora Utama (also known as Benara Nurseries Indonesia) on 23 Juni 2011. A nursery of 28 hectare that produces about 600 types of plants and is located at the Karawang Regency. Please download the file below for a summary of the trip. Please be advised that participation on these trips is only for ASBINDO members. [Click here](#) for more information about becoming a member.
